

Dear member, dear friend,

We are delighted to count you as a member of the SM Club de France and would like to thank you for your continued support.

As you know, membership fees are an essential resource to keep the club alive and vibrant.

At the Annual General Assembly on December 7th, **we decided to keep the same membership fees as last year.**

You can pay your contribution by cheque (French bank only) or bank transfer using the details given in this flyer.

You will receive your 2020 membership card in return.

Looking forward to seeing you soon.

MEMBERSHIP RENEWALS

What is my contribution using for ?

Having 834 members makes the SM Club a strong and genuinely independent organisation.

Your contribution are the main financial resources of the club [outside the spare part budget which is strictly dedicated to the management and re-fabrication of parts].

These resources are used for the life and promotion of our association: shows, meetings, magazines, catalogues, etc.

No fee increase !

Full member	€ 90
Friend of the club	€ 55
Initial access fee for spare parts	€ 90

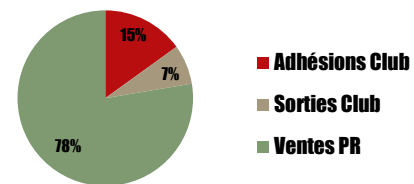

Fees are applicable for a calendar year.

Fees can be paid by bank transfer or cheque (French bank only). A receipt will be issued.

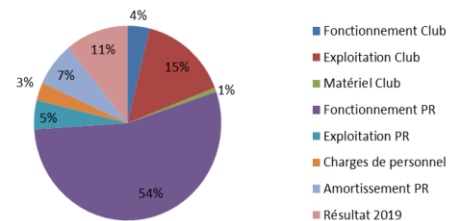

Non-payment of fees will result in the loss of membership as well as the ability to order parts.
